

February 2008 Employee of the Month

Vallory Combs

Vallory Combs has been selected the February 2008 Employee of the Month for Butterfield Youth Services. Vallory was nominated for her excellent management of the Village Cellar (26 Years and counting).

Vallory works long hours, sometimes under difficult circumstances. She is dependable and her long term commitment to the Cellar is also noted. While Vallory is out-of-sight we would like her to know that she is not out-of-mind.

The BYS Team would like to thank Vallory for all of her hard work.
